Sub:Regarding Training Program in the Workshop for students.

We had arranged the training program - 'Personal Effectiveness' conducted by you for B.A. and B. Sc. Students of our college in September and October 2015.

The training program has found to be successful. It has been reflected in the behavior of our students. The students have acquired the skill of 'Teamwork' and better communication with lecturers. It has not only improved their performance, but also boosted their confidence and made them more effective in their personal life.

It is a wonderful program and indeed has rendered us the benefits we had expected and much more than that.

We really appreciate your contribution in running the program successfully. We are very much thankful to you for accepting our request. We wish all the best to your future.

Thanking you
